## BEFORE YOU VISIT US

Before your visit to GETEC PARK.SWISS, you must ensure that your host has registered you in the internal visitor system. You will then receive an invitation via Essentry with a link to the online check-in and guest entry training. Please take part in this and bring the QR code and an official ID (ID / passport / driving licence) to the appointment.

## ON THE DAY OF YOUR VISIT

Please allow sufficient time for the registration formalities. Out of consideration for the environment, please use public transport if possible (bus 60 to the «Industriepark» stop). If you arrive by car, a **gravelled car park (No. 1b)** is available opposite the registration desk. Truck drivers should use the central reservation in front of the gate.

Register at the self-check-in in **Visitor Centre 2062 (No. 1a)** with your QR code and your ID (ID / passport / driving licence). Your host will pick you up or, if you are eligible, you may drive your vehicle onto the premises. If you arrive by car, you can enter via **Gate 1 (at point 1)**, **Gate 2 (at point 2)** or **Gate 3 (at point 3)**. Truck drivers can only enter via Gate 3 (at point 3). Depending on your destination within GETEC PARK.SWISS, another visitor parking space is available at point 2. If you arrive with a vehicle, we will need the registration number of your vehicle for the parking card.
